Monthly Overview

DSW Makes a Difference

We're proud to highlight the incredible efforts of DSW employees who dedicated their services at Veterans Village in Punta Gorda, Florida. Through a collaborative effort with Rebuilding Together Tampa Bay, our dedicated team helped renovate the interior and exterior of 16 residential housing units, all of which belong to previously unhoused veterans.

From Devastation to Renewal

We are thrilled to announce the successful completion of our latest reconstruction project in Houston, Texas, under Program Manager, Michelle Mancil! Once ravaged by the forces of Hurricane Harvey, the site now stands as a testament to resilience and renewal.
